Change — The Foundation of the Future

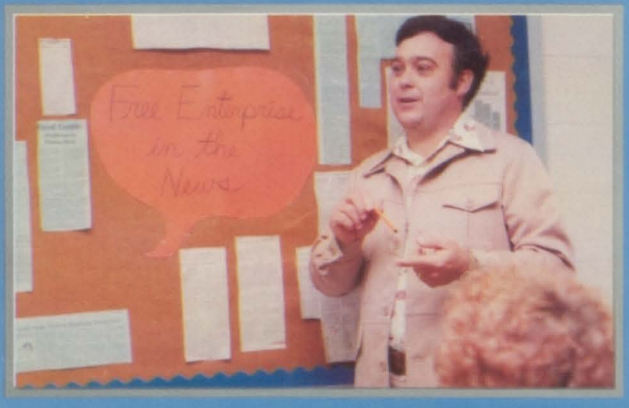

Change — as inevitable as the ageless dawn — rippling through life in quiet moments, stretching out across a timeless span in an effort to capture tomorrow, reaching all things by simply being. No matter what path we choose to follow, the frightening presence of change will always be with us, following close behind, manipulating our every move. Change takes many forms; not every change begins in silence. Some changes are launched with a bang and progress rapidly for a time, but these only affect the surface — it is the slow, silent, patient change that remains and remolds the world. The constancy of change is our only link to the past; change itself is our only key that will fit the lock of ignorance on the door to our future.

Southwood — An Environment of Transition

The 1977-78 school year began with an avalanche of changes. Most were easily visible — a new shell parking lot, more temporary buildings — changes to help house the 2,500 students who were trying to cram into a school designed for 1,500. Mr. Jewell Wagner replaced Dr. J. E. Turner as principal. Scheduling problems abounded because of a new required course in free enterprise. But even amidst these changes, Southwood continued to make progress; the process of learning continued.

35

Dress Code — A Statement of Standards

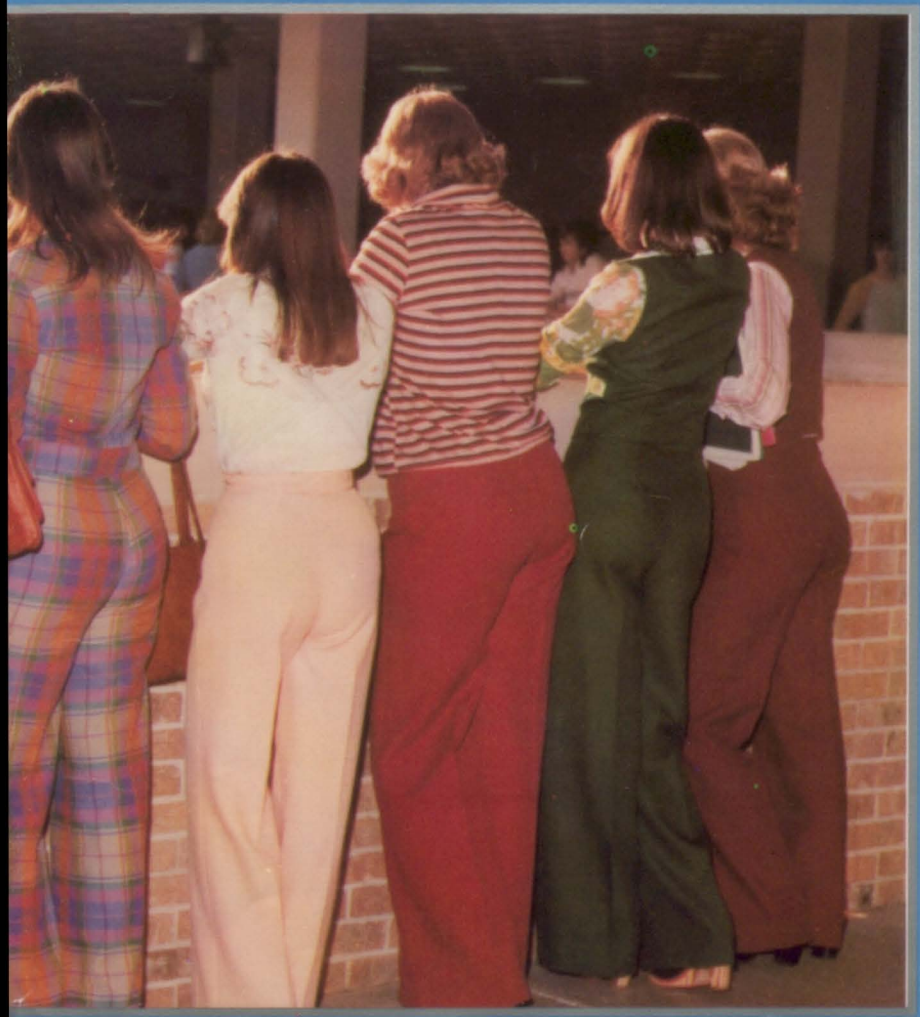

Returning to school was quite a shock for many of the old Cowboys; for the first time in the history of Cowboy Country, girls were wearing pants and boys had long hair and beards. This was the result of a new parish-wide dress code that was decided upon last year. The new rules were designed to eliminate any controversy about the rights of the students to dress as they pleased. A new tradition was begun at Southwood — an old one bit the dust.

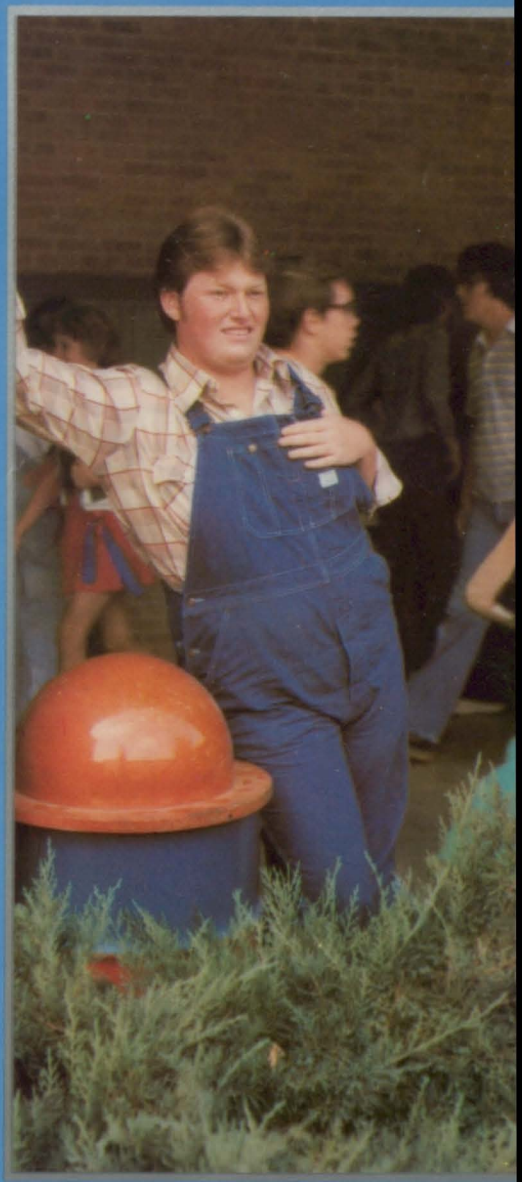

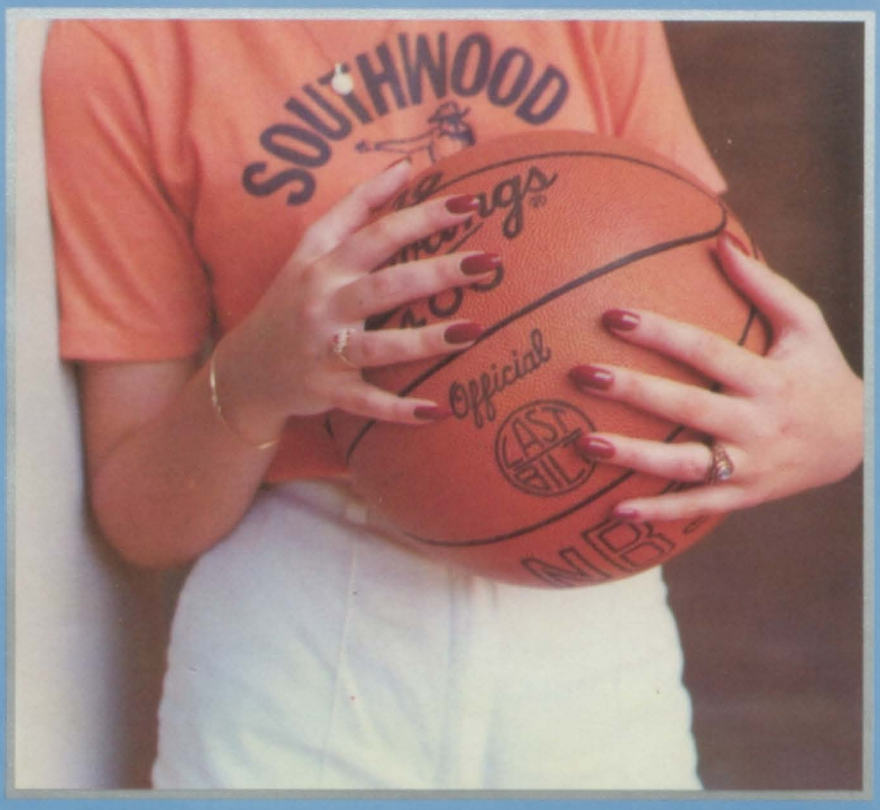

SOUTHWOOD
Official

Trends — An Era of Sharing

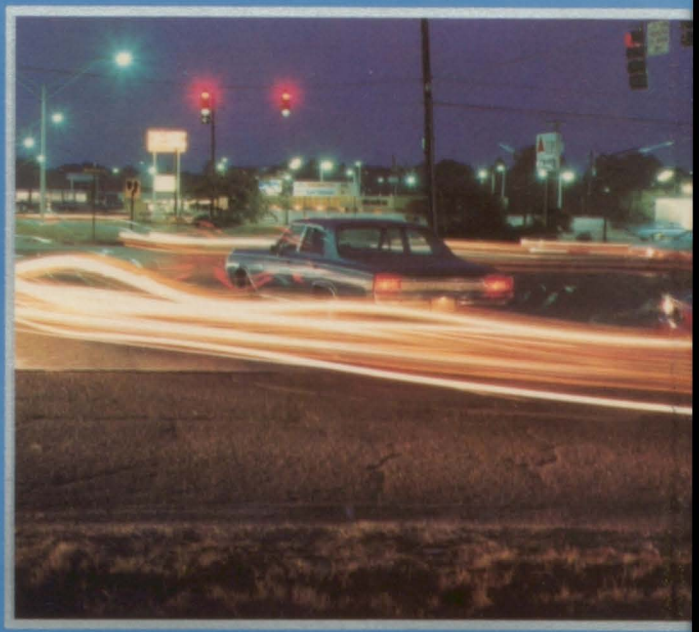

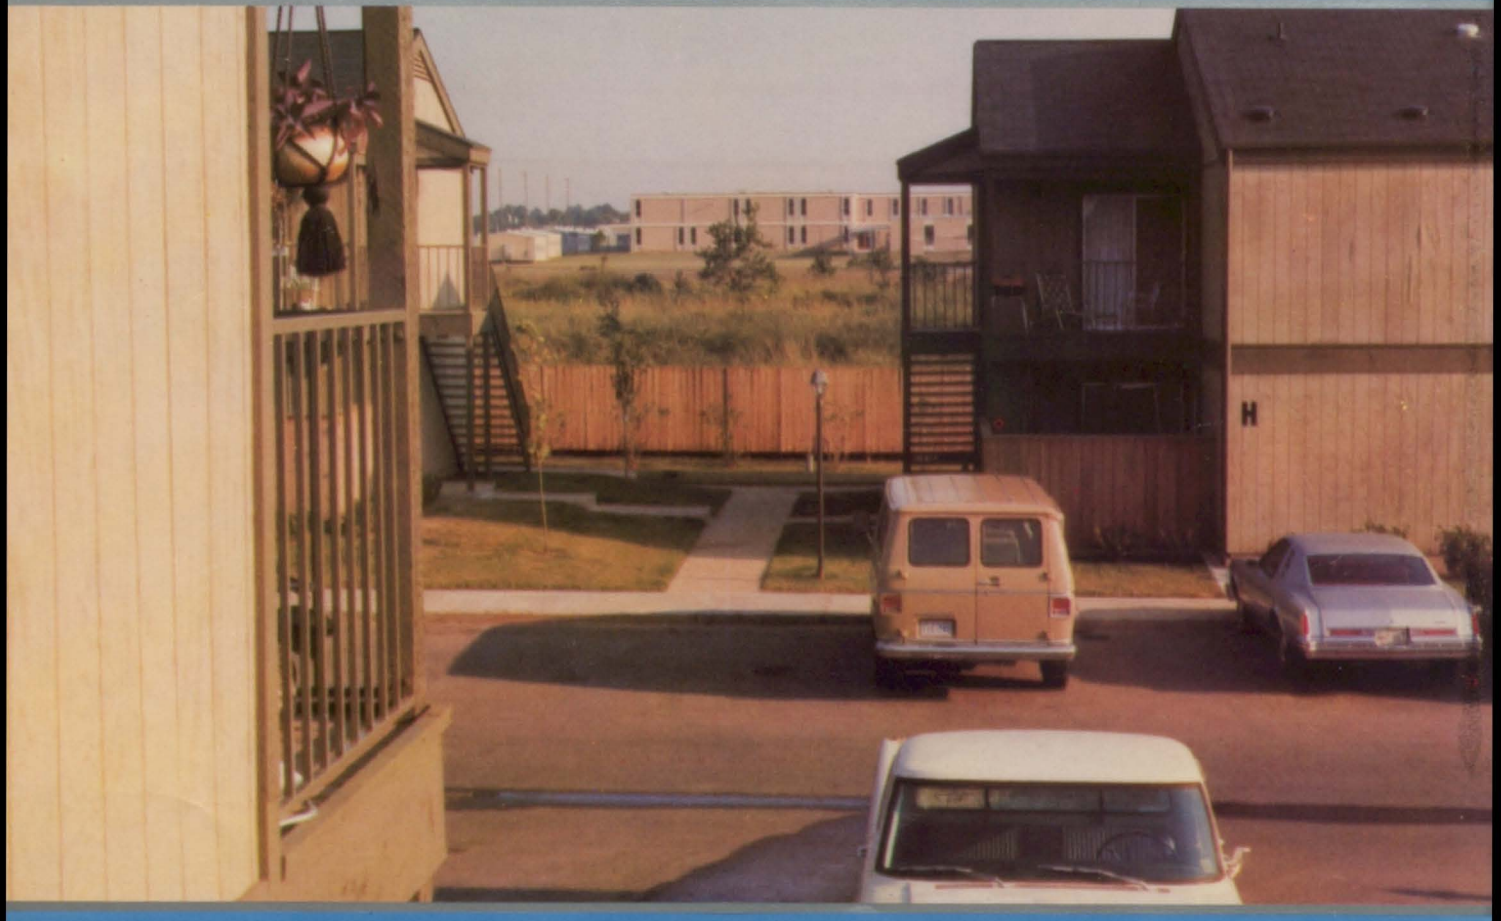

In an effort to keep abreast of the times, Southwood instituted several innovative practices. For the first time in the school's history, a girls' varsity athletics program was initiated. Girls participated in track and field events as well as basketball. A girls' division of the Fellowship of Christian Athletes was also formed to promote good sportsmanship. In academics, as well as in sports, some classes were expanded to include both boys and girls. Most of these opportunities were previously available, but this was the first year that many people began taking classes which were generally stigmatized by sexist stereotypes.

Southern Hills — A Community of Progress

Progress went on the rampage during the summer and school year in Southern Hills. Commercial expansion could be seen throughout the suburbs: new streets and bridges were begun to link together the lengthening arms of the community, apartments and housing complexes loomed where empty fields once had been, a new branch library was opened to the public. As the area continued to develop, it grew into a self-contained community. Houses, stores, restaurants, businesses, medical facilities, churches, and schools were all nearby.

Weekends — A Time for Entertainment

School was not the only thing which occupied the minds of the students during the year. Cablevision came to Southern Hills. New entertainment centers opened: a bowling alley, an arcade, a high school discotheque, a frisbee golf course, and a tennis center. Weekends provided not only a time for friends to get together and have fun, but also gave students a chance to sit back, relax, and enjoy.

Change — The Realization of Ourselves.

Change — as powerful as the tides of time — rolling in and out, altering the world slightly with every wave, creating an irreversible difference. Echoes creating moments that cannot be captured in time; slowly at first, then faster — the reaching of all corners of eternity by the smallest sound of silence, in sadness and in joy. The end of one day; the beginning of the next day; the renewal of life through change. All things come from change. Change is the foundation of life, it gives substance to dreams and shape to hopes. Change is the only tool we have to mold the future. Wisdom and ingenuity are our guides, but it is change that does the work. We now must learn how to use change wisely; we must mold ourselves; we are the future.

★EVENTS★

1978

Events — occurrences that shaped our lives. The school year was full of change, but tradition also remained. The football team pushed its way into the play-offs as the undisputed district champions. Arch-rival Woodlawn was defeated and a 54-0 victory made Homecoming a real success with Queen Valerie Bantle looking on. Pep rallies, posters, victory dances, car decorating contests, and mystery cowboys all added to the excitement. The baseball team won the district title. Football player B. I. Childers and cheerleader Diane Manning were chosen as Mr. and Miss Southwood. Honors, awards, commendations, and scholarships reminded us of our purpose and our abilities. The year was a full one; memories of these times will always be with us.

Mr. and Miss Southwood

B. I. Childers and **Diane Manning,** selected Mr. and Miss Southwood for 1977-1978, both participated actively in all areas of high school life. They were elected by a majority vote of the students to represent Southwood spirit and integrity.

B. I., a senior letterman, held the position of defensive linebacker on the Cowboy football team. In his spare time he enjoyed squirrel hunting and horseback riding. Playing college football and becoming a defensive coach were among B. I.'s plans for the future.

Diane served as head of the Southwood cheerleading squad. She spent a great deal of time outdoors; swimming and bike riding were two of her favorite pastimes. Diane planned to attend the University of Alabama.

Mike Acurio

The 1978 Southwood Cowboy, Mike Acurio, worked hard during pep rallies and at football games to promote the spirit of the school. Mike was nominated and elected by a majority vote of the student body. To be eligible for the position, each nominee had to be entering his senior year at Southwood and could not be involved in varsity athletics.

National Merit Scholars

Four Southwood Seniors were among those chosen as National Merit semi-finalists in 1978. Those selected were Karen Doran, Lisa Echols, Bill McGill, and Lynda St. Clair.

Karen, in addition to serving as honors editor for the ROUNDUP, was also an active participant in the "Z"-Club and Quill and Scroll.

Lisa worked as editorial editor on the LARIAT staff; she also served as a "Z"-Club officer and Quill and Scroll member.

Bill, the chaplain of the Inter-act Club, also participated actively in extra-curricular activities including the Southwood Speech Club.

Lynda served as copy editor for the ROUNDUP in addition to being an active member in FBLA, Creative Writing Club, and Quill and Scroll.

Karen, Lisa, Bill, and Lynda all were members of National Honor Society and Mu Alpha Theta.

Each student was selected on the basis of scores from his 1976 PSAT/NMSQT and became eligible to compete for National Merit Scholarships.

Pokes Outscored First

The 1977-78 Southwood Cowboy football team opened the season with an impressive victory over the Parkway Panthers. Led by quarterback Randy Huffstickler, the Cowboys unveiled a balanced ground aerial offense which moved the ball at will. The defense also played an excellent game, allowing only one touchdown, late in the fourth quarter. The defense scored its own touchdown, too, when Hazen Blodgett intercepted a Parkway pass and returned it for a touchdown.

Combining a powerful offense with a tough defense, the Cowboys showed complete control in their decisive win over Natchitoches Central. The outcome was never in doubt as Southwood took the opening kickoff and marched 57 yards for a touchdown. The Pokes rolled up 254 yards while the stingy defense allowed only 116 total yards. Junior tailback Fletcher Manshack scored twice on the ground in the game while Larry Getsinger grabbed one touchdown pass. B. I. Childers took a punt on the bounce and stormed 45 yards to put the game out of reach. The defense did a tremendous job during the entire game as it recorded its first shutout of the season.

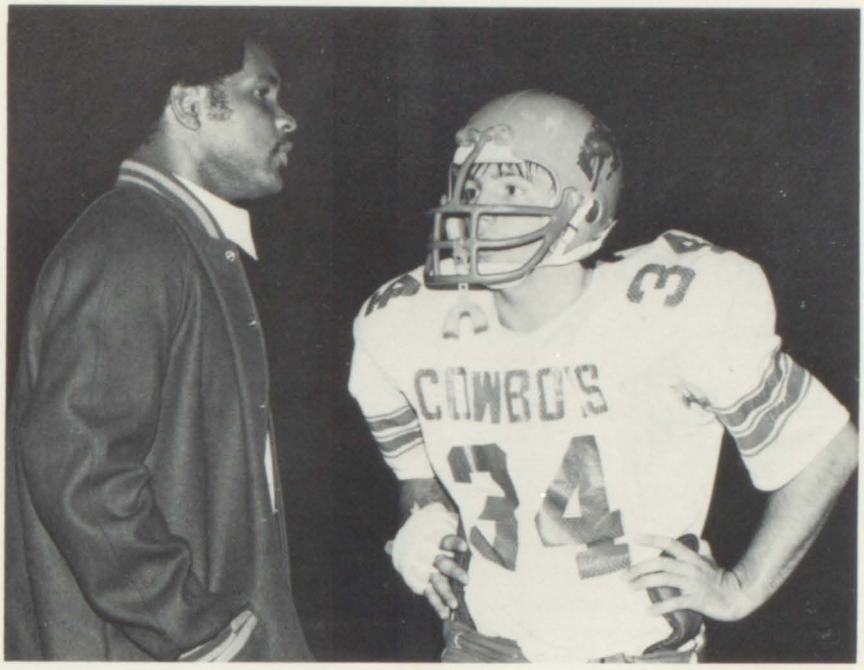

Proving that the Southwood team was not a fluke, the Cowboys pocketed their third straight win with a clearcut victory over the Captain Shreve Gators. Larry Getsinger caught three touchdown passes from Randy Huffstickler to lead the way in the 26.7 victory. Fletcher Manshack provided the rushing yardage with fourteen carries for 102 yards. The Southwood defense held the explosively fast Gator offense to only six points. It also teamed up to intercept three passes with John Votaw taking one in for a touchdown. That interception sealed the fate of the Gators with the Cowboy offense running out the remaining time.

Football

Homecoming '77

Southwood won their fourth straight game of the season by defeating Bossier, 21-0. The Cowboys first touchdown was made when tailback Fletcher Manshack threw a halfback option pass to Mickey Faulkinberry. The swarming defense also scored when linebacker B. I. Childers intercepted a Bearcat pass and ran fifteen yards for a touchdown. That kept alive a streak in which Southwood's defense scored during each of its first four games. The Cowboys last score came on a 42 yard bomb from Randy Huffstickler to Larry Getsinger which clinched the game for the Pokes.

Southwood suffered its first loss of the season against undefeated Haughton, the final score was 13-8. The Southwood defense led by B. I. Childers held the Haughton offense in check during most of the game but the Southwood offense could not get going. They suffered six turnovers, two of which led to the Haughton touchdowns.

The Southwood Cowboys went up against the Huntington Raiders, who had the best defense in North Louisiana going into the game, and totally dominated them on the way to an overwhelming 54-0 homecoming victory. The Cowboy team broke the old record for points for a single game which was set against Parkway in 1974. The offense racked up 416 total yards while the defense held Huntington to only 95 yards. Fletcher Manshack sparked the offense with 104 yards gained on 14 carries and two touchdowns. Hazen Blodgett led the defense with a 38 yard touchdown interception.

A Record-Setting Game

Football

Cowboys Won Undisputed

In the first district game of the season, the Cowboy's walked away with a 28-13 win over the Byrd Yellow Jackets. Both the offense and defense played well, although the game was closer than the final score indicated. Randy Huffstickler and Larry Getsinger led the offense for Southwood with Getsinger receiving seven passes for 107 yards. The defense almost completely shut down the Byrd offense with the defensive secondary making three interceptions and setting up two of the Pokes' touchdowns. Southwood made it look easy against Fair Park by defeating the Indians 49-21, the second highest scoring output of the season. Junior Tailback Fletcher Manshack rushed for 135 yards of the night as the Cowboy offensive line did a tremendous job against the Fair Park defensive line. Senior linebacker B. I. Childers led the defense by making many key tackles and intercepting an Indian pass which stopped a key Fair Park drive. Cornerback Wayne Harris also performed well, returning an intercepted pass 63 yards for a touchdown. It was the Cowboys second straight District victory and the Pokes' pushed their season record to 7-1.

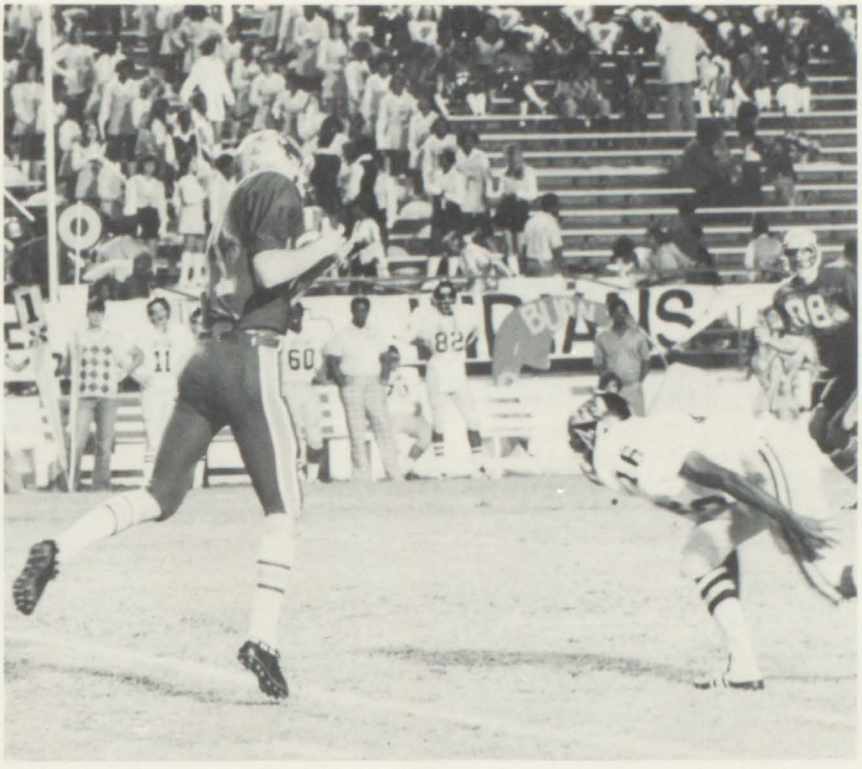

District 1-AAAA Title

Football

Dead Red

In one of the closest games of the season the Southwood Cowboys sneaked out of BTW Stadium with a 21-16 District victory over a fired up Booker T. Washington team. The game was important because it assured the Cowboys a spot in the playoffs. The Pokes first got on the scoreboard when John Votaw blocked a BTW punt and the offense took the ball in for the score. The defense set up another score when Stephen Mason recovered a fumble deep in BTW's territory. The Lions kept coming back however, but a clutch drive late in the game won the game for the Cowboys.

In the biggest game of the season, the Southwood Cowboys rose to the challenge by beating arch rival Woodlawn 21-7. It was the largest margin of victory ever for a Southwood team against Woodlawn and the win clinched the 1-AAAA District Championship for the Cowboys. The Southwood offense had the Woodlawn defenders guessing during the whole game by not using a huddle. The Pokes used colored cards instead to bring in the plays. The offense used this new device and a strong running and passing game to score its three touchdowns. The first touchdown was scored by Fletcher Manshack after a punishing drive on which the Southwood offensive line totally dominated the Knights defense, as it did all night. Wide receiver Larry Getsinger scored the second touchdown on a long pass and Mickey Faulkinberry put the game out of reach with a score in the fourth quarter. The Southwood defense, as it had done all season, shut down the Knight offense, allowing only one touchdown which came late in the game. The defense also stopped the vaunted Woodlawn passing attack by intercepting four Knight passes.

Cowboys Advanced to Regional Playoffs

In the first playoff game, Southwood played against the Minden Crimson Tide, who were the District 2-AAAA runnerups. The Cowboy defense played its best game of the season scoring two touchdowns and two safeties. The offense added another touchdown which made the final score 25-0. The first score of the game came when the Minden punter fielded a low snap and touched his knee to the ground which gave Southwood its first safety. After the free kick, quarterback Randy Huffstickler hit Larry Getsinger for a 30 yard touchdown. Southwood's tough defense then took over with John Votaw returning a blocked punt for a touchdown. The defensive secondary played an outstanding game as it made three interceptions which stopped key Minden drives. One interception was returned by Larry Weaver 55 yards for a touchdown. On the last play of the game, the Southwood defense sacked the Minden quarterback for another safety. The Southwood Cowboys were knocked out of the playoffs with a heartbreaking loss to the Ouachita Lions in overtime by a score of 21-14. Ouachita lead the Cowboys 14-0 with only a few minutes left in the half, but the hard-fighting Cowboys came back to score twice with the help of an onside kick before halftime. That evened up the score to 14-14 and it remained that way until the official time had run out. The overtime period then began with each team getting four opportunities to score ten yards from the goal line. Ouachita scored on its first possession; Southwood was intercepted in the end zone and the game ended.

Cowboys Confronted Opponents

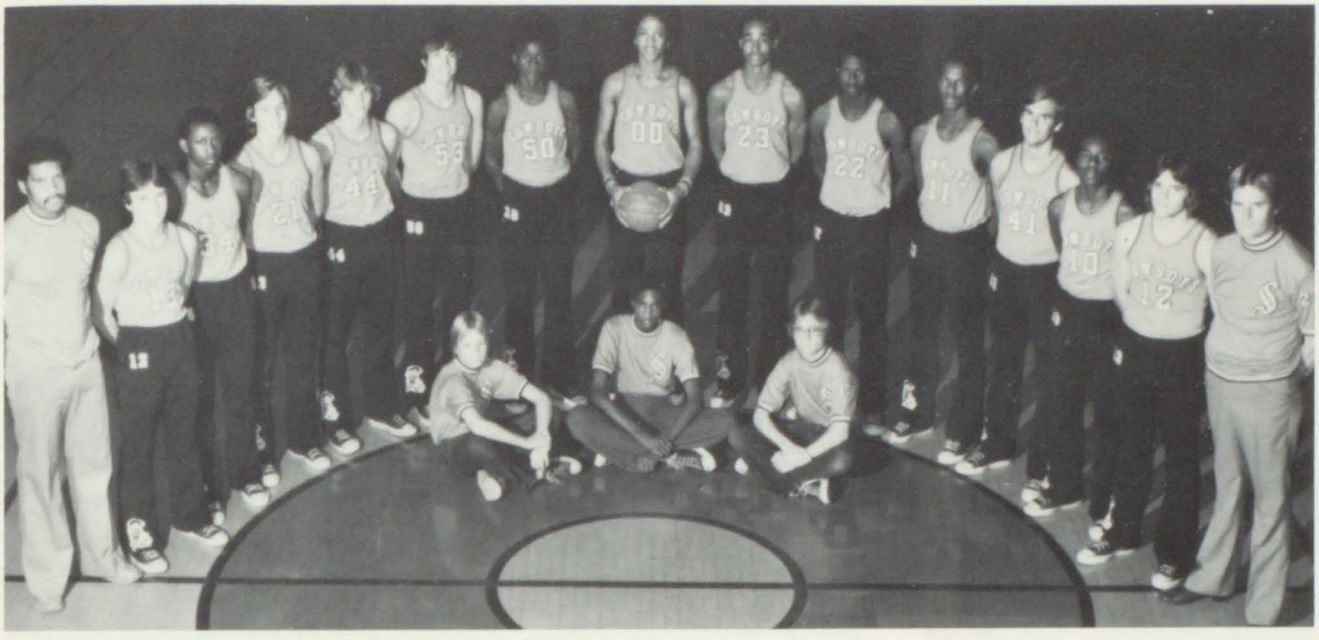

The Southwood Cowboy Basketball Team finished the season with a 12-19 overall record. During the season the team never gave up and continually gave each opponent a hard fought game. The Cowboys were led by a new head coach, Troy Willis, who taught the team playing ability as well as sportsmanship.

Baseball

The Southwood Cowboy baseball team had another great year, winning the District 1-AAAA championship for the second straight year. The Pokes defeated FairPark in a playoff game to retain the district title, but lost to Parkway the following week to be knocked out of the playoffs. The Cowboys overall record for the 1977 season was 14-7 while their district record was 9-1. Ronnie Morris led the pitching staff for Southwood with a 5-1 record, including three shutouts. Robbie Aubrey had the highest batting average with a .348 percentage, while Brett Baker was the runs batted in leader with a season total of 22 RBI's. Many of the players were selected for post season honors with Head Coach Ed Hartfield being named as Co-Coach of the Year for District 1-AAAA.

Pokes Hosted Cowboy Relays

The Southwood Cowboy track team consisted of 23 members with all of them contributing to the team's success in a big way. The team won the Cowboy Relays, held at Southwood easily, beating the nearest competitors by over thirty points. The leading scorer for the year was sprinter Howard Armstrong with 38½ points while Richard Mezzio was a close second with 38 points. One of the main reasons for the Cowboys success was Coach Colvin, who taught the players skill and good sportsmanship.

Tennis Team Swatted to 17-4 Record

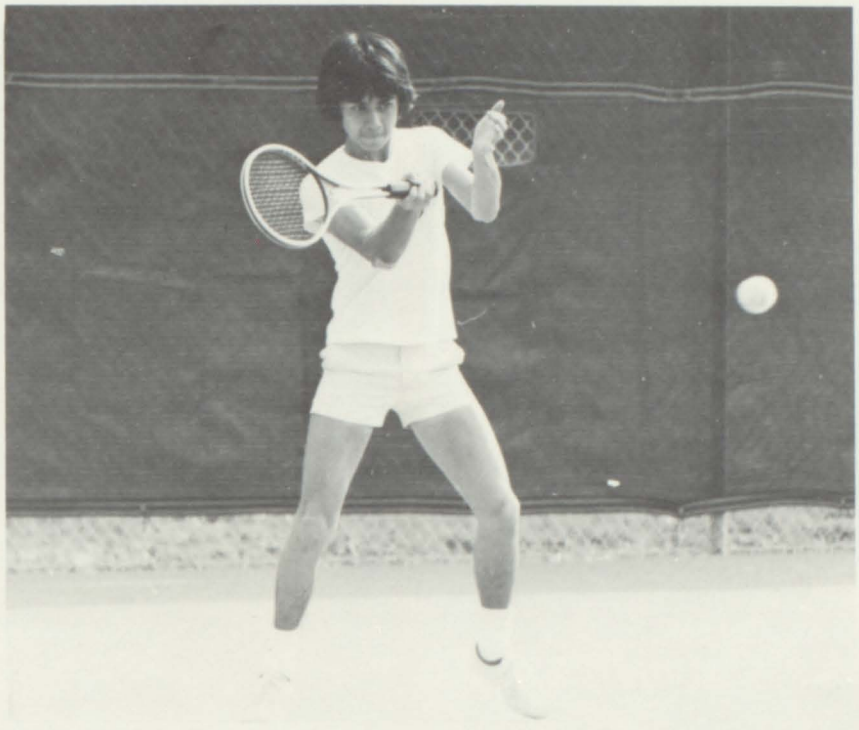

The Southwood Cowboy tennis team was one of the best teams in the city, losing only four matches and winning seventeen. The Pokes were led by the number one boys seed, Jim Fairbairn. The tennis team also traveled to Magnolia, Arkansas in order to compete in the Southern Invitational Tennis Tournament. The doubles team of Jim Fairbairn and Curtis Green placed high in the state meet by reaching the quarter-finals before losing. Coach Cummings was an invaluable asset to the tennis team as he led them to their many victories.

It took a great deal of dedication to be a member of the "crazy eight" — Southwood's squad of enthusiastic cheerleaders. Long hours of practice were required to perfect the strenuous routines performed by the eight members of the cheerleading squad. The girls attended summer camp at LSU Baton Rouge where they won one ribbon for crowd involvement, two ribbons for cheering skill, and third place overall. They also won first place and Sweepstakes at the Miss Louisiana Drill Team Pageant. Mrs. Marilyn Heinsohn, who sponsored the girls, helped them prepare for pep rallies and sporting events, as well as competition. The members of the cheering squad said that their only goal was "to promote school spirit at all times." Judging from the attitude of the Southwood student body, they did a very good job.

A cocked head, a swift contagion, a high kick — all these things can mean only one thing — the Southwood High School Silver Spurs. The precision dance team, which often highlighted the half-time entertainment, spent a great deal of time choreographing and practicing dance routines to make each performance flawless. The Spurs won 1st place in routine competition at the Drill Team School at Tulane University as well as the Sweepstakes trophy for having the highest average of points per girl. They also placed first in state competition.

Chapparrelles Were the Best in the Land

"Introducing the Southwood Chapparrelles — the largest pep squad in the world." These words rang out across the field during many of the Cowboys' football games. The pep squad consisted of 350 girls who were dedicated to actively participating in school events and to maintaining the high spirit of the Southwood student body. The girls worked during summer vacation to learn the fundamentals of marching and to begin working on pre-game and half-time routines. Formations by the Chapparrelles included a saddle, two horseshoes, a cowboy hat, and the spelling out of COWBOYS, in addition to the traditional western boot. Marshal Pam Lewis and Deputy Marshal Sheri Aldridge worked under the direction of Mrs. Betty Jordan. They were responsible for maintaining order and for preparing pep squad activities. The Southwood Chapparrelles and their leaders worked together to help make 1977-'78 the most spirited year in the annals of Cowboy history.

ROUNDUP

★ PEOPLE ★

1978

People — individuals that came together to grow and learn. Southwood is brimming with people including many who contribute to the school after 3:00. Organizations enabled students to be united for a common interest. These associations performed many activities beneficial to the school. A newspaper, a yearbook, and a literary magazine were published. Several plays were presented by the Speech Club. Candy, calendars, telephone directories, carnations, buttons, car wash tickets, and candles were all sold by clubs to raise money for service projects, banquets, and other events. The faculty were also involved with the school — Serving as guides for the students. The year was a full one; memories of these times will always be with us.

To represent the student body and to work toward better cooperation among the students and faculty were the major concerns of the Southwood Student Council. During the '77-'78 school year, members worked with Mrs. Alma Petteway, their new sponsor, to organize many fund-raising activities. The money that was earned was used to pay for the beauty pageant, Student Council Week, Teacher Appreciation Week, and Homecoming. The council consisted of representatives and alternates who were led by student officers. The 1977-'78 Student Council was one of the best ever; school spirit was high and participation was energetic and enthusiastic — thanks to the council's efforts.

Beginning with summer workshop and continuing throughout the year, the ROUNDUP Editorial Staff worked to create a record of the people, the places, and the period — to serve as a souvenir from the past. The 1977-78 Southwood annual was filled with many new and exciting changes. Mrs. Nina Morrison and Mr. E. A. Wilson, in their eighth year as sponsors, worked with the staff to publish the best edition of ROUNDUP ever. The ROUNDUP staff also sponsored a successful drive to relandscape the quadrangle.

Roundup Ad Staff

The ROUNDUP Ad Staff was composed of 35 members who sold over $100 worth of advertising space in the yearbook during summer vacation. Ad staff trainees were selected during April after submitting applications to Miss Jane Jordan, the sponsor of the staff. Managers were those members who sold over $150 worth of ads. Members of the ROUNDUP Ad staff learned how to prepare contracts and solicit ads.

Lariat Editorial Staff

The Lariat Editorial Staff was comprised of sixteen members who worked together under the leadership of Mrs. Carol Simonton to publish seven editions of Southwood's school newspaper. Copies of the Lariat were sold to students for twenty-five cents each. The main goals of the staff were to try to find out and write about the most recent happenings at the school and to keep the Southwood student body informed. Staff members sought to maintain a high standard of journalism and to publish a quality newspaper for Southwood.

Headed by Mrs. Sandra Hadwin, the Lariat Ad Staff sold advertising to support the printing of the LARIAT. Any student with a 2.0 grade average and an interest in selling ads was eligible to be on the staff. The staff member who sold the most ads was named manager; the assistant manager was the student with the next highest number of sales.

The Ad Staff for the football program, sponsored by Mrs. Sandra Hadwin, worked hard selling advertising to companies who wanted to show their support of the Southwood Cowboys' football team. In May, 34 students were elected to the ad staff. In order to remain on the staff, each team had to sell a quota of at least $200 worth of advertising. The four leading teams of sales people were selected as managers, having sold from $900 to $1,500 each. The football program, the largest in the city, was produced to help promote interest in the football team.

Y Teens

Y-Teens was a Christian service and social organization which was begun to give members an opportunity to learn by serving others and to accept responsibility. The major goals of Y-Teens were: to grow as a person; to grow in friendship with people of all races, religions, and nationalities; and to grow in the love and knowledge of God. Y-Teens was sponsored by Mrs. Carol Shaffer and The Young Women's Christian Association.

Z Club

"Growth through Service," was the motto of "Z" Club — a girls' service organization sponsored by the national Zonta club — and members worked hard to live up to those words. To be eligible for "Z" Club, each girl had to have good character, a substantial record of school participation, two teacher recommendations, and a "B" average. New members were selected by girls already in the club and by Miss Nancy Gephardt, the sponsor. Activities were begun during the summer with a muscular dystrophy carnival. Club activities included serving as guides at the beginning of school, selling Valentine carnations, and working at the Guest House. All of the members worked hard to help change the world and to make it a better place in which to live.

Key Club

The Southwood Key Club was a service-based organization sponsored by the South Shreveport Kiwanis Club. Each year the club has sought outstanding students as members to support the activities of Southwood High School, Shreveport, and the entire community. The Southwood Key Club has been recognized by Kiwanis International for outstanding growth in membership. Sponsor, John Turner, provided leadership for the members in all areas of accomplishment. Club activities included the publication and sale of Key Club calendars, the sale of fund-raising candy, and the distribution of Christmas baskets.

Interact

Interact performed as a non-profit community service organization under the sponsorship of the South Shreveport Rotary Club. Mr. Don Fowler served as faculty advisor for the organization. Membership was limited to males of good moral character and reputation with a 2.5 grade average who were willing to fulfill the obligations of the club. The main duty of the members was to earn 25 hours on service projects. Activities included printing and distributing a student directory, and holding an annual Christmas party at Holy Angels as well as many other worthwhile service projects.

The PTSA provided an opportunity for parents, teachers, and students to work together in a climate of mutual respect and understanding. Students accepted and carried out significant responsibilities in their PTSA. Students and adults worked together to achieve a school that could meet each student's needs, a means of informing students about college and career preparation, and greater participation in PTSA service projects. Southwood's student delegates were the first in the nation to attend a state convention. Mrs. Delores Ray heads the Southwood PTSA.

FTA

Promoting an interest in the future of the teaching profession, providing opportunities for personal growth, and enabling students to observe and assist teachers were the major concerns of the Future Teachers of America Club. Working with Mrs. Gloria Higgins, members discovered how much preparation goes into daily lessons. Some members attended the State FTA Convention in Baton Rouge. Planning for their future and the future of the country gave Southwood's FTA members much satisfaction.

French Club, a departmental organization, served as an informal way for students to learn more about the French culture. Mrs. Jimmie Herring expended a great deal of time and effort to make French Club an enjoyable learning experience. Guest speakers were invited to come to speak to the club members about different aspects of French lifestyles and history; students were also able to sample various types of French food. French Club focused upon the scholastic area, too. French students were able to participate in French competitions at Foreign Language Festivals and at district and state rallies.

Latin Club

The members of Latin Club with their sponsor, Miss Sue Blacet, strove to uphold the goals of their organization — to encourage fellowship among students of the classes, and to promote the study of Latin and the classics by others. The accomplishment of these goals was due primarily to participation in club activities which included preparing a Roman banquet, sponsoring Latin Week, and attending State Convention. These projects made Latin Club an interesting way to learn about ancient times

Mu Alpha Theta was an honorary organization for students interested in Mathematics. The activities of the club were geared toward the study of various branches of mathematics. In order to become a member, students needed to maintain an overall "B" average. Mrs. Alma Petteway sponsored the group of forty-four students. Members were given the opportunity to attend district level meet with similar groups of students. The basic aim of the club was to deal with advancement in the understanding of math problems.

Creative Writing Club

The publication of a literary magazine, PRISMS, at the end of the school year was the main objective of the Southwood Creative Writing Club. Any original work by a Southwood student was eligible for publication — membership in the Creative Writing Club was not required. The club was sponsored by Mrs. Marilynn Davis, who assisted members in the preparation of the material that was to be published. After the book was printed, copies were sold for fifty cents; the money that was earned was used to help pay for the cost of printing and binding the book and the cover.

The Future Secretaries Association, a member of the National Secretaries Association, was sponsored by Mrs. Willie Boyd. Juniors and seniors enrolled in the business curriculum at Southwood were eligible to join. Programs presented at the meetings were designed to acquaint the future secretary with the business world. The major objective of the FSA was to give the future secretary some insight into what goes on in the world of business. Planned activities included a bake sale and a field trip to a business establishment to visit its Word Processing Center.

The Distributive Education program, sponsored by Mr. Frank Sanders, enabled students to continue their educations while earning money working at part-time jobs. Students on the work-study program attended classes at Southwood for part of the day and spent the rest of their time working. At Southwood, each student was able to take regular courses; then he put his education to good use in job situations. Participants were employed at regular jobs; they were not placed in a facsimile of society — they entered the real world, where survival depended upon ability and initiative.

Future Farmers of America provided leadership opportunities for students who were interested in the various aspects of agricultural pursuits. FFA, one of the largest organizations at Southwood, was made up of students who were taking agriculture and were interested in obtaining practical first-hand experience by operating a farm. This organization, under the direction of Mr. Huey Davis, gave students a chance to work in the areas of beef cattle, poultry, swine, truck farming, and forestry. Students gained a worthwhile advantage through Future Farmers of America.

Twelve students were selected from study hall and library science classes to serve as library workers; these students received some credit for the work which they did. The main responsibilities of the workers were to assist at the desk and to help teachers and students find material and information. Duties of the library workers included circulation books, magazines, and audio visual materials, typing, filing, and record keeping. Mrs. Bernice Prather headed the staff of library workers, who learned more about the way in which libraries operate through their experiences.

Band Excels in Many Areas

The Southwood Band, under the direction of Mr. Leon Anderson and Associate Director Mr. Dorsey Summerfield, entertained fans with many outstanding halftime performances. Leading the Marching Band were Drum Major Brad Morgan, Assistant Drum Major Carol Poole, and Band Captain Daryl Sears. The Symphonic Band was honored to represent the State of Louisiana at the Fourstates Bandmasters Association in Texarkana, Texas. In April the Marching Band traveled to Florida to march in the Floridaworld Music Festival held in Orlando. To earn money for this trip, Band members sold candles, magazines, and candy. All in all it was a very productive year.

ADMINISTRATION

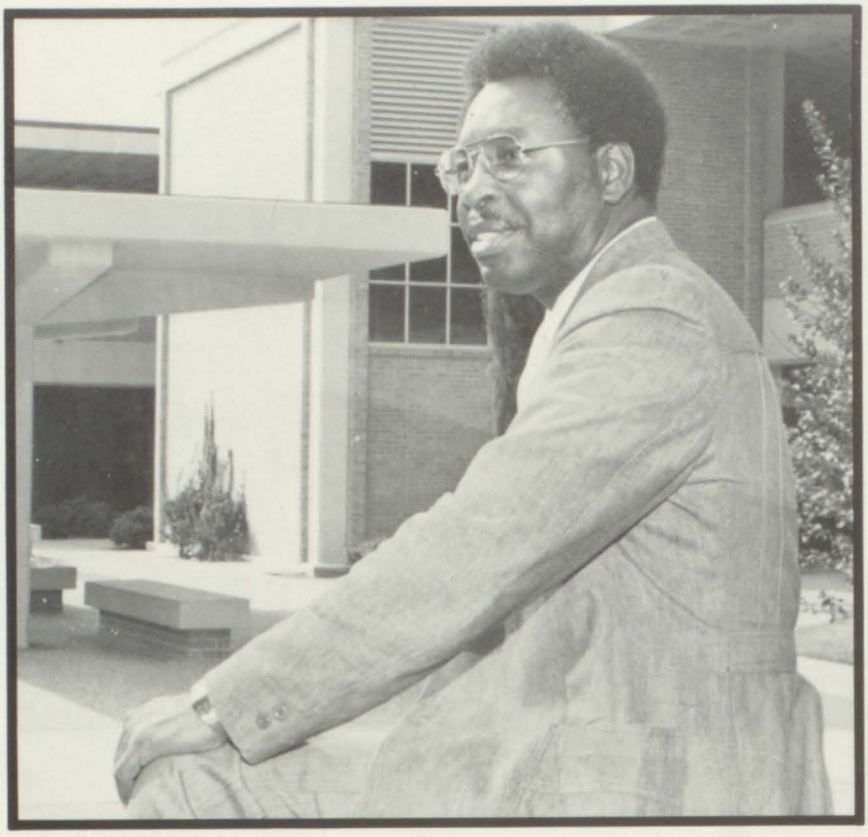

EDITED BY
RANDY ELDER
JIMMY SMITH

Administration Was the Prime Concern of the Principal

In an effort to make certain that everything ran smoothly, Mr. Jewell Wagner coordinated the over-all school program at Southwood High School. He worked hard to establish a more progressive administration that would be better prepared to meet the educational needs of the students.

As principal, Mr. Wagner began studying some innovative ideas for high school scheduling. One of the most important changes that Mr. Wagner wanted to institute some time in the future was a college-type schedule system; students would be able to complete courses in one semester, thus creating a greater opportunity for advanced learning. Other plans for Southwood which were carried out included the addition of an off-set printing machine and the renewal of the humanities program.

Although many new concepts were considered, the most important idea underlying the changes was not a new one; the goal of the administration at Southwood High School was to provide the best possible opportunity for all students to obtain a quality education that would be able to serve them for the rest of their lives.

Class Song — "We Are the Champions"

Class Flower — Orange Rose

Class Motto —

Tomorrow is not promised us,
So let us take today
And make the very most of it
The once we pass this way.

Just speak aloud the kindly thought
And do the kindly deed . . .
And try to see and understand
Some fellow creature's need.

Tomorrow is not promised us,
Nor any other day,
So let us make the most of it
The once we pass this way.

Western Electric

Can you envision what your life would be like without a telephone? How would you make arrangements for the big ball game? How would you contact your friends for help with your homework? How would the young men make their dates? How would the young women break them?

The telephone has become part of the American way of life. And, at Western Electric's Shreveport Works, we make more telephones than any other facility in the world.

Western Electric is proud to be a part of the Ark-La-Tex and we are proud of today's students who will be tomorrow's leaders. Only through a quality education can you be prepared to assume this position.

As John Denver puts it in "The Eagle and The Hawk": "Reach for the Heavens; hope for the future and all that you can be, not just what you are."

Our employees — some of whom attended Southwood High School — have made Shreveport the "Telephone Capital of the World." Perhaps you will help us continue this tradition when you complete your formal education.

IT'S HAPPENING NOW

CONGRATULATIONS, GRADUATES!

WE WISH YOU SUCCESS IN YOUR ENDEAVORS!

The world is now your proving ground. You'll be given a chance to test your ideas and theories. Once proven, they will be used towards a better tomorrow for all. Our best goes with you.

This yearbook was designed to record not only this school year's events and people, but also the experiences that have changed our lives. The production of this book involved everyone — from students to faculty, from organizations in the school to people in our community. Their involvement with the ROUNDUP has been tremendously appreciated.

I would like to give special thanks to Mrs. Nina Morrison and Mr. E. A. Wilson for their support and patience; Miss Jane Jordan for the valuable work she has done with the Ad and Circulation Staffs; and to the ROUNDUP Staffs, who worked together to make the 1978 yearbook one which will be remembered. The talents of Mrs. Barbara Schlidt, Kevin Polman, and Mark Provenza greatly aided the final construction of the yearbook. I would also like to thank Heritage House of Photography for their continued cooperation and high quality photographic work.

The privilege of serving as your editor has been one of the highlights of my senior year. Thank you for this challenge.

REALIZ-ATION

The past year was one of change. It was a time for both beginnings and endings. Events of the 1977-1978 school year came in many forms, adding in many ways to our understanding of ourselves.

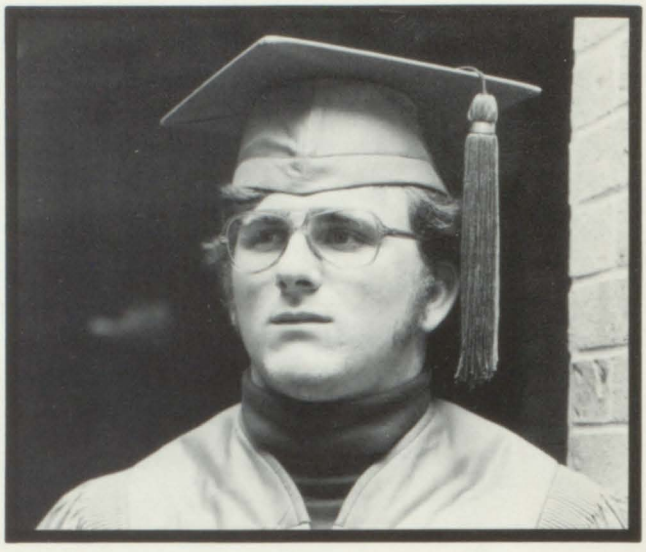

Our "suprising" Cowboy football team with its district title and its undisputed victory over arch-rival Woodlawn — a Homecoming Dance held under a "harvest moon" — the new dress code — our mid-term blizzard — the Southwood slaughter of St. Vincents Academy 230-30, in the Centenary College Bowl on KSLA-TV.

The Equal Rights amendment took hold — inflation and energy problems remained — the Dallas Cowboys won Superbowl XII — King Tut's treasure came to the country.

Fads came and went: straight-legged jeans, stick pins, suspenders, initials, and pop rocks — The movies: **Star Wars, Close Encounters of the Third Kind, Saturday Night Fever** — The songs: "You Light Up My Life," "Staying Alive," "We Are the Champions" — The TV shows: **Three's Company, Soap, Charlie's Angels, Love Boat.**

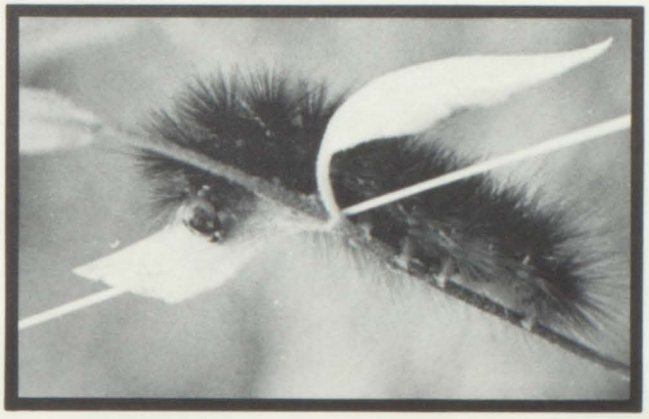

It was also a year of loss — Elvis Presley, Bing Crosby, Groucho Marx, Charlie Chaplin, Guy Lombardo, and Hubert Humphrey.

We lived through a unique year; hopefully, the experiences of yesterday will help to bring about the realization of tomorrow's dreams.

In the innocence of childhood
we crawled;
our freedom was bounded
only by our fears.
Time was unimportant because
we lived for each moment.

we grew . . .

We were caught up
in ourselves.
Each day brought new
knowledge of the world;
time meant much because we
were waiting for our lives.

we learned . . .

In the light of a new day
we rose,
we looked around to find
our wings.
Time was unimportant because
we realized that we could fly . . .
